MESSAGE OF PROPRIETOR

I'm delighted to introduce Elegants Training & Testing Center. Which is a trusted name in the field of human resources {Technical non-Technical, Trained} exporting (as per foreign employer requirement) organization in Bangladesh. The company runs an efficient network throughout the country and capable to recruit eligible personnel within the shortest possible time. Bangladesh earned a reputation of producing workers who are very dedicated, loyal, honest hardworking.

Our company can fulfill the demand of skilled, semi-skilled, and unskilled male / female workers in global Job market. The output of Bangladeshi workers is not less than that of workers of any countries and their services can also be utilized at a competitive cost.

Me, Mizanur Rahman is in this company since 2025. I sincerely do hope that Elegants Training & Testing Center Will continue to render very effective services to its clients and we look forward to a long everlasting business relationship with them.

We believe is friendly and long term relationship we strive work as per our standard time schedule and quality service to make sure our clients will receive their work on time

WHY CLIENTS CHOOSE US

Risk Free

As a consultant to our clients, we can provide correct and accurate information related to the employment act, immigration act and related legislations of different work pass and issues that as an employer should be wary of.

Low-cost

As we also provide a pool of candidates interviewing face to face or via video teleconferencing. The cost of selecting a candidate is substantially reduced by providing the right people for the right jobs at the first try.

Replacement Free

As we consistently provide the right people for the right jobs, the possibility of a mismatch has been minimized to nearly ZERO but if there is a need, we will provide a one to one free replacement.

Our Key Industries

We offer and provide local and foreign manpower staffing for companies in several industries such as Aerospace, Agricultural, Construction, Food & Beverage, Hospitality, Marine, Manufacturing, Oil & Petrochemical Engineering, Precision, and many others.

Our Network Connection

Over the years, we have grown to become a leading player in the recruitment industry with a network from Bangladesh. ETTC Training Centre is positioned to enhance our competitiveness and delivery of services through getting the-"Right People for the Right Job at the First Try!"

ELEGANTS TRAINING & TESTING CENTER FACILITIES

ETTC ACCOMMODATION

1. ETTC has accommodation facilities for the trainees
2. High-quality food and safe drinking water served from the in-house canteen.
3. Air-conditioned tester rooms with attached toilet, one at each corner to facilitate in house supervision.
4. 120 KVA Generator for backup in case of power failure.
5. 24 hours electricity services.

TRAINING FACILITY

1. ETTC Training Centre is approximate 14,000 sq. ft.
2. ETTC training Centre, we have two shifts one morning and another evening.
3. Satisfactory natural light and ventilation provided for a comfortable working environment.
4. In each session, we have 150 capacities for the training classes.
5. The duration of our every training period is generally up to 3 months per section.
6. One Interview Room & One Conference Room for Meeting.
7. For training facilities, we use overhead projectors, video and VCD sets, television sets, black and white-boards.

MEDICAL FACILITY

1. 24-hour medical service at our diagnostic centre.
2. When a prospect contacts us, our first task is getting their medical test done efficiently, at our medical centers. And if he is found to be fit enough, we proceed to the next steps.

SAFETY & SECURITY

1. 24-hour CCTV surveillance.
2. Maximum priority on fire protection & safety of the work place.

WELDING SECTION

WELDING SECTION

TRAINING CENTER

ETTC is one of the leading Training Centre in Bangladesh, that has all technical branches of training with it's all allied training aids and facilities. ETTC was established in the year 2025

and got approved from the Ministry of Manpower Development and Social Welfare department of the Government of the People's Republic of Bangladesh for imparting Training for those who are interested in their respective fields and also can process the candidates to go on abroad after successful completion and passing the training examinations at this Centre. ETTC is, therefore, very experienced and takes very cautious steps in processing the candidates because a smart, honest, and devoted worker can bring about laurels and fame for him, for the Institution and the country. ETTC had been very serious and presently very particular in imparting rightful appropriate training to the workers so that they can safely work and can earn foreign currency for him and the country.
